Sir,

Sub:-Acquisition of land for Kirwatti Mill Depot.

...

I enclose a copy of letter No.22/628/3902 of 59-60 dated 4th March 1960 from the Conservator of Forests, Belgaum Circle along with the its enclosures requesting permission to acquire an area of 1.48 acres from S.No.6 of Kirwatti for Kirwatti Mill Depot for perusal.

It is reported that the land in question is now being utilised for storing mill pieces etc., belonging to Government. In order to store the Government material and also to prevent the possibility of the Government material being smuggled or misused, the Conservator of Forests considers it necessary to acquire the land. I agree with his proposal and request you to communicate orders of Government for taking further action to acquire the land.

Sub:-Acquisition of land for Kirwatti Mill Depot.

...

Kirwatti depot is the second biggest depot in this Circle and receipt of timber in this depot is on the increase day to day. For log Depot, 37.00 acres of forest area has been got cleared recently. But for Kirwatti Mill depot where sawn timber etc., is stacked, the present depot area is found to be inadequate. The present mill depot adjoins malki S.No.6 of Kirwatti. This malki area is more useful and convenient for storing timber etc., received in mill depot. A sketch showing the present mill depot area and the area proposed to be acquired is sent herewith for perusal and return.

2. Sanction may kindly be accorded to acquire an area of 1.48 acres in S.No.6 of Kirwatti. On receipt of your approval proposals to acquire the land will be sent to the Deputy Commissioner, Kanara Karwar. The cost of acquiring the area and the source from which the expenditure could be met will be reported to you as soon as the cost of acquisition is intimated by the Land Acquisition Officer.
